WSC is a non-profit club run by volunteers which means members work together to build and maintain the facilities and run events. Every member contributes work hours. Such participation is more than a way to keep the membership fees affordable; it builds club spirit and the sense of community.

Starting in 2008 the Alberta Government granting agencies required the Alberta Sailing Association (ASA) to provide names and addresses of their members. As part of their WSC membership all members become an ASA/CYA member for the current year and their name and address information will be provided to ASA. The ASA will follow all privacy laws with the members' personal information. A WSC member who does not want to become an ASA/CYA member must contact the WSC membership chair in writing.

Additional ASA/CYA memberships for member partners, spouses or children are available for \$10. The additional memberships holders must sign the following waiver.

Name	Signature  I grant WSC permission to provide the ASA/CYA with my name and address.
